LITIGATION

Case No. 5:18-cv-06164-EJD (VKD)

**[PROPOSED] ORDER GRANTING
PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

1
2 Upon review and consideration of Plaintiffs' Motion for Preliminary Approval of Class Action
3 Settlement, and all briefing, arguments, exhibits and other evidence submitted in support thereof,
4 including the Class Action Settlement Agreement ("Agreement"), dated _____
5 and executed by Plaintiffs Matt Matic, Zak Harris, Charles Olson, and Eileen M. Pinkowski, and by
6 Google, LLC ("Google"), it is hereby ORDERED as follows:
7

8 1. Capitalized terms not otherwise defined herein shall have the same meaning as set
9 forth in the Agreement.

10 2. The Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1332 and has
11 personal jurisdiction over the Parties. Venue is proper in this District.

12 3. The following "Class" is provisionally certified, for settlement purposes only,
13 pursuant to Federal Rules of Civil Procedure 23(a), 23(b)(2) and 23(e):
14

15 All persons residing within the United States who (1) had a consumer
16 Google+ account for any period of time between January 1, 2015 and April
17 2, 2019; and (2) had their non-public Profile Information exposed as a
result of the software bugs Google announced on October 8, 2018 and
December 10, 2018.

18 4. The Court finds that, for settlement purposes only, the Class, as defined above, meets
19 the requirements for class certification under Federal Rules of Civil Procedure 23(a) and 23(b)(2)—
20 namely, that for settlement purposes, (1) the Class Members are sufficiently numerous such that
21 joinder is impracticable; (2) there are common questions of law and fact; (3) the Plaintiffs' claims
22 are typical of those of the Class Members; (4) Plaintiffs and Class Counsel have adequately
23 represented, and will continue to adequately represent, the interests of Class Members; and (5) as
24 alleged, Google has acted on grounds that apply generally to the Class, so that final injunctive relief
25 or corresponding declaratory relief is appropriate respecting the Class as a whole.
26
27

1 5. Certification of the Class shall be solely for settlement purposes and without prejudice
2 to the Parties in the event the Settlement is not finally approved by this Court or otherwise does not
3 take effect.

4 6. The Court preliminarily approves the proposed Settlement as fair, reasonable and
5 adequate, entered into in good faith, free of collusion, and within the range of possible judicial
6 approval. The Court notes that the Settlement was reached through significant arms-length
7 negotiations assisted by an experienced mediator, Mr. Randall W. Wulff.

8 7. The Court appoints Plaintiffs Matt Matic, Zak Harris, Charles Olson, and Eileen M.
9 Pinkowski as class representatives for the Class.

10 8. The Court appoints the following attorneys as Class Counsel for the Class: John A.
11 Yanchunis, Ryan J. McGee, and Jonathan B. Cohen of Morgan and Morgan Complex Litigation
12 Group; Clayeo C. Arnold and Joshua H. Watson of Clayeo C. Arnold Professional Law
13 Corporation; and Ivy T. Ngo, Esq., of Franklin D. Azar & Associates, PC.

14 9. The Court appoints Angeion Group (“Angeion”) to serve as the Settlement
15 Administrator and directs Angeion to carry out all duties and responsibilities of the Settlement
16 Administrator as specified in the Agreement and herein.

17 10. Pursuant to Rule 53 of the Federal Rules of Civil Procedure, and with the consent of
18 the parties, the Court hereby appoints former Magistrate Judge Elizabeth LaPorte of JAMS, or
19 another neutral as decided by the Court as special master (“the Special Master”) in this action for
20 the limited purpose of reviewing applications and selecting at least one and up to ten recipients for
21 cy pres distributions from the Settlement Fund. Anyone, including any party or their counsel, may
22 invite an appropriate entity to submit an application to the Special Master to receive a cy pres
23 distribution from the Settlement Fund. Such an application must be submitted to the Special Master
24 within 30 days after entry of this Preliminary Approval Order and must include a sworn declaration

1 under penalty of perjury from an officer or director of the proposed recipient providing at least the
2 following:

- 3 a. A statement identifying the legal name of the recipient, its state of incorporation
4 and/or registration, and its principal street address;
- 5 b. A statement summarizing the nature of the recipient's business and its activities,
6 including a description of any past or planned activities to promote public
7 awareness and education, and/or to support research, development, and initiatives,
8 related to Internet browsing safety and privacy;
- 9 c. A statement that the recipient agrees to devote any funds from the Settlement to
10 promote public awareness and education, and/or to support research, development,
11 and initiatives, related to the security and/or privacy of Internet browsers;
- 12 d. A statement either (i) disclosing any existing or prior relationship to the Special
13 Master, to the assigned District Judge in this action, the named parties, or any
14 attorney of any of the named parties, including disclosure of any prior donations
15 or cy pres distributions received from the parties, or (ii) declaring that the declarant
16 has inquired into the existence of such relationships and has no reason to believe
17 that any such relationships exist; and
- 18 e. A statement that the applicant will produce a witness to testify on these topics at
19 the hearing on the motion for final approval of the Settlement.
20
21
22

23 11. Following the application deadline, the Special Master shall proceed with all
24 reasonable diligence to review the applications received and select between one and ten applicants,
25 in the Special Master's broad discretion, that (1) submitted the sworn declaration described above
26 by the application deadline, (2) have no significant prior affiliation with the Special Master, any
27 party, counsel, or the Court that would raise substantial questions about whether the selection of the
28

1 recipient was made on the merits, and (3) are most likely to use Settlement funds efficiently for the
2 intended purpose. Within 14 days after the application deadline, the Special Master shall prepare
3 and file with the Court a brief report identifying the applicants selected and stating that the Special
4 Master has reviewed the applications from these applicants and determined that they satisfy the
5 criteria stated above. The report shall also include a list of the applicants who were not selected and
6 shall attach copies of all applications received from all applicants. The report need not explain why
7 any applicant was not selected. In performing the tasks described herein, the Special Master shall
8 spend no more than five hours of the Special Master's time without written agreement from the
9 parties and shall be compensated for time spent by submitting an invoice to the parties which will
10 be paid from the Settlement Fund by the Settlement Administrator.
11

12 12. The Court orders Google to make an initial non-reversionary advance payment in the
13 amount of seven hundred fifty thousand dollars (\$750,000) ("Advance") by check or wire transfer
14 to the Settlement Administrator within thirty (30) days following the entry of this Order. Should the
15 Court grant Final Approval, the balance of the \$7,500,000 Settlement Fund (i.e., \$6,750,000)
16 ("Balance") will be paid to the Settlement Administrator within 10 days after the entry of a Final
17 Approval Order.
18

19 13. The Settlement Administrator shall maintain the Advance in an interest-bearing
20 account to constitute a "qualified settlement fund" ("QSF") within the meaning of Section 1.468B-
21 1 of the Treasury Regulations promulgated under the U.S. Internal Revenue Code of 1986, as
22 amended. Google shall be the "transferor" to the QSF within the meaning of Section 1.468B-1(d)(1)
23 of the Treasury Regulations with respect to the Advance or any other amount Transferred to the
24 QSF pursuant to this Settlement Agreement. The Settlement Administrator shall be the
25 "administrator" of the QSF within the meaning of Section 1.468B-2(k)(3) of the Treasury
26 Regulations, responsible for causing the filing of all tax returns required to be filed by or with
27
28

1 respect to the QSF, paying from the QSF any taxes owed by or with respect to the QSF, and
2 complying with any applicable information reporting or tax withholding requirements imposed by
3 Section 1.468B-2(l)(2) of the Treasury Regulations or any other applicable law on or with respect
4 to the QSF. Google and the Settlement Administrator shall reasonably cooperate in providing any
5 statements or making any elections or filings necessary or required by applicable law for satisfying
6 the requirements for qualification as a QSF, including any relation-back election within the meaning
7 of Section 1.468B-1(j) of the Treasury Regulations.
8

9 14. The Court approves the program for disseminating notice to Class Members set forth
10 in the Agreement and Exhibits A and B thereto (herein, the “Notice Program”). The Court approves
11 the form and content of the proposed forms of notice, in the forms attached as Exhibits A and B to
12 the Agreement. The Court finds that the proposed forms of notice are clear and readily
13 understandable by Class Members. The Court finds that the Notice Program, including the proposed
14 forms of notice, is reasonable and appropriate and satisfies any applicable due process and other
15 requirements, and is the only notice to the Class Members of the Settlement that is required.
16

17 15. Class List: Following entry of this Order, Google shall compile the list of known

22 the Class List that may be subject to 26 U.S.C. § 7216, to the Settlement Administrator. The

24 List that may be subject to 26 U.S.C. § 7216, consistent with, and solely to effectuate, the terms of
25 this Settlement. The Settlement Administrator shall maintain the Class List in a secure manner at

7 Members can obtain further information about this Action, the Settlement, and their rights. The
8 Settlement Website shall be optimized for display on mobile devices. The Settlement Website shall
9 include, and make available for download: a copy of the Agreement; the operative complaint in this
10 Action; a long-form class notice (“Long-Form Notice”) substantially in the form attached as Exhibit
11 B to the Agreement; a claims form (“Claims Form”) substantially in the form attached as Exhibit A
12 to the Agreement; and such other case documents as agreed to by the Parties. The Settlement
13 Website shall also include a list of deadlines, as well as contact information for the Settlement
14 Administrator. The Settlement Website shall be operational until at least the Effective Date of the
15 Settlement. The Settlement Website shall include an appropriate mechanism for Class Members to
16 update their contact information.

17 19. Press Release: As soon as practicable, but no later than ten (10) business days
18 following the entry of this Order, Class Counsel shall issue a press release (“Press Release”), which
19 Google’s counsel will have the opportunity to review and reasonably approve prior to publication.
20 The Press Release will provide notice of the Settlement, a link to the Settlement Website, and
21 contact information for the Settlement Administrator. The Press Release will be issued through PR
22 Newswire’s US1 commercial newswire service and will also be posted on the Settlement Website
23 and Class Counsel’s respective websites.
24
25
26
27
28

1 20. All costs and expenses of the Notice Program and other costs of the Settlement
2 Administrator shall be paid from the Advance.

3 21. No later than seven (7) days before the Final Approval Hearing, the Settlement
4 Administrator shall file an affidavit with the Court confirming its implementation of the Notice

13 and email address of the Objector's counsel (if the Objector is represented by counsel); (d) a
14 statement as to whether the objection applies only to the objector, to a specific subset of the class,
15 or to the entire class, and also the specific grounds for the objection; (e) the number of class action
16 settlements objected to by the Settlement Class Member in the last three years, and a list of those
17 cases by case name and number; and (f) an accompanying declaration submitted under penalty of
18 perjury or a sworn affidavit.
19
20
21

22 23. No Class Member may contest the approval of the terms and conditions of the
23 Settlement, the Final Judgment, any request for or award of attorneys' fees and costs to Class
24 Counsel, or any request for or award of Plaintiff service awards, except by filing and serving a
25 written objection in accordance with the provisions set forth above. Any Class Member who fails
26 to object in the manner prescribed above, shall be deemed to have waived, and shall be foreclosed
27
28

1 forever from raising, objections to the Settlement, Class Counsel's application for attorneys' fees
2 and costs, and any application for Plaintiff service awards.

3 24. The Court directs that the Final Approval Hearing be scheduled for _____,
4 to assist the Court in determining whether the Settlement should be finally approved as fair,
5 reasonable and adequate to the Class Members; whether the Final Judgment should be entered;
6 whether Class Counsel's application for attorneys' fees and costs should be approved; and whether
7 any request for service awards for the Plaintiffs should be approved.
8

11 attorneys' fees and expenses and for Plaintiff service awards. By no later than fourteen (14) days
12 before the Final Approval Hearing, the Parties shall file any responses to any Class Member
13 objections, and any replies in support of final approval of the Settlement and/or Class Counsel's
14 application for attorneys' fees and expenses and for Plaintiff service awards. After it is filed Class
15 Counsel's application for attorneys' fees, costs, and Plaintiff service awards shall be posted on the
16 Settlement Website.
17

18 26. The Court reserves the right to modify the date of the Final Approval Hearing and
19 related deadlines set forth herein. In the event the Final Approval Hearing is moved, the new date
20 and time shall be posted on the Settlement Website.
21

22 27. If the Settlement terminates for any reason, this Action will revert to its previous status
